THE CLASS OF 1975 PRESENTS
THE LAURENTIAN
LAURENS COMMUNITY SCHOOL LAURENS, IOWA

During the time we have worked on our yearbook, two businesses have given much of their time to us. They are Strathman Studios of Pocahontas and The Laurens Sun. To them we extend our deep and sincere gratitude.

We've found ourselves
searching for something,
yearning it till we're
old. We've tried several
ways to grasp it, but to
new directions we must turn.
We hope this time to find
it, we're hoping that soon
we'll succeed.

We've lived the past, enjoyed
the present, and look forward
to the future. It may
take time, but we won't be
happy till we find our own
sweet freedom.

BUSINESS MANAGERS

With "Father Time" holding
that golden guiding light,
we follow the paths of our
destiny. We gain and lose
all that we humanly desire.
The game we play creates its
own rules; if we abide by them,
we advance.

The regression we face builds
character for advancement. We
achieve, cherish, and love. We
strive to help others and through
it therefore, propel ourselves.
If we all keep on as "Father"
says we must, the end will bring
what we request. This acknowledgement
we receive as we climb our own stair-
way to heaven.
